

## **“The Challenges of Logistics Technology - Opportunities and Innovation” Conference**

It is our great pleasure to announce that the Logistics & Transportation (LT) Division and Manufacturing & Industrial (MI) Division of the Hong Kong Institution of Engineers will join force to organize the “The Challenges of Logistics Technology - Opportunities and Innovation” conference on 27th September, 2018, in Hong Kong.

The conference will take place in the Hong Kong Convention and Exhibition Centre (Room: S221). The half day (afternoon) event features prominent speakers from academic institutes, technology professionals and key business leaders from renowned international corporations. Market insights and innovations at the forefront of smart logistics, automation and technology will be shared during the conference.

### **Date, Time & Place**

Date: 27 September 2018 (Thursday)  
Time: 13:30 - 17:30  
Organizer: The Hong Kong Institution of Engineers  
Venue: Hong Kong Convention and Exhibition Centre (Room: S221)  
Fee: Free  
Language: Presentation in English, Cantonese or Putonghua (presentation materials will be in English)

### **Programme Highlights**

More than three hundred attendees are expected to join the conference, of which they include HK Legislative Council Representative, senior ranked officers from the HKSAR Government Transport Department, business leaders, specialists from both the public and private sectors, logistics associations' leaders, engineers and industrial practitioners. We are confident that the “The Challenges of Logistics Technology - Opportunities and Innovation” conference will be an excellent platform for all professions to share and exchange views and insights.

### **Guests of Honour**

- Frank Chan, JP - Secretary for Transport & Housing, the HKSAR
- Ir. Dr Hon Lo Wai-kwok, SBS, MH, JP - Legislative Councillor for Engineering Constituency, the HKSAR

### **Speakers**
